Form Civilian Defense Organization For Protection Of San Mateo County

Police Chief Reardon Named To Head Intelligence Division

Evidence that defense preparations are not all centered in Washington, D. C., is the formation of a San Mateo county civilian defense body.

The organization, made up of county law enforcement officers, is planned to facilitate the coordination of county defense activities during an emergency, should one arise.

Daly City Police Chief James G. Reardon is one of two leaders in charge of the Intelligence division, which is given the job of gathering information about the San Mateo county defense industries and strategic locations in the area.

Reardon and Chief Louis Belloni, South San Francisco, will investigate subversive activities in the county.

"Subversive activity is more wide-spread than most people realize," said Reardon. "Even a community such as Daly City is not immune."

He stated that he would carry out enthusiastically any duties given him by the county defense committee.

Other divisions of the group are Personnel, which will recruit, train and test disaster workers, including policemen, firemen, and civilians; Operations, which takes over after an emergency; Supplies and Transport; Communications; and Investigation, Identification and Records.

Under the chairmanship of Chief of Police Tom Burke of San Mateo, the committee meets every Wednesday at the San Mateo city hall. Eventually the organization will include between four hundred and five hundred members.

Announce Special Draft Replacement

A special replacement call has been announced for Friday by Mrs. Isabelle Flynn, chief clerk of the Daly City-South San Francisco draft board.

The district has had a total deficiency of four men in the four draft calls thus far. This lack will be made up by the replacement call.

April 7 marks the fifth regular draft call when 18 local stalwarts will leave for a year's training.

Between now and July 1 55 men are slated to be called in this area. One thousand eight hundred and five questionnaires have been distributed, and no more will be sent out until about June 1, states Mrs. Flynn.

Due to the slackening of the stream of draftees the draft office, upstairs in the city hall, will no longer be open Thursday evening or Saturday afternoon, as it has been. It will be open Saturday morning from 9 a. m. to noon.

Three Teams Fight For Tourney Lead

At the end of the second week of the Daly City Record Bowling Tournament, three teams were fighting for the lead: Hammar's Station, Bank of America and Hilltop Lodge. Each had won five games and lost but one.

With an enthusiasm and cooperation which surprised even the sponsors, the tournament has initiated its 11-week run with a fine show of spirited competition.

Highest individual game score for the first two weeks was made by Kennedy of Alert Van in their first game against Bank of America. Kennedy bowled 266.

This 266 was one of three games Kennedy rolled for a total of 628,

Yes, Grammar School Boys Need Fun, Too

Grammar school boys should have fun, too!

That is the firm opinion of the Daly City WPA Recreation department, as voiced by Bruce Boynton, director.

He invites all grammar school boys to join the Saturday Morning Boys' Club for a good time. The club has been formed for their benefit. All feasible sports will be played at the high school gymnasium and field. At present Boynton is organizing a basketball tournament which will get under way in about two weeks.

The boys are divided into teams of five, and this unit can be divided or combined according to the demands of the sport being played.

Four Daly City Students Win Prizes In National Defense Essay Contest

"How Can I Protect America?" is the question asked by Kenneth Linhares, small patriot attending Woodrow Wilson school.

He answered it with an essay which won first prize in the grammar school division of National Defense essay contest, sponsored by Daly City Auxiliary, No. 410, American Legion.

Last week he was given his award, a leather binder, by Mrs. Alice Reilly, National Defense chairman of the local auxiliary, and Mrs. Vivian Pahlka, president of the unit. Second prize in the grammar school division went to Roy Lundgren, also of Woodrow. Roy received an Eversharp pencil.

For the best essays written in the high school division on the topic "Selective Service—Its Effect on Youth," Dorothy Hammar took first prize, a necklace and bracelet; and Dina D'Elia won second prize, a compact. Both Miss Hammar, 67 Willits street, and Miss D'Elia, 6229 Mission street, are high seniors at Jefferson Union high school.

The grammar school and high school essays which won prizes are eligible to compete for prizes awarded by the Twenty-sixth district, American Legion auxiliary. They may be entered into district competition, and possibly state and national.

The essays are judged 75 per cent on subject matter, 15 per cent on composition, and 10 per cent for general appearance.

Discuss Modernization Plan For Fire Dept.

The Daly City Fire Commissioners and the Board of Chiefs discussed a plan to modernize the Daly City Fire department at their meeting, last Tuesday.

"This plan is being prepared to bring the department up to date and to keep step with the progress of the city," stated Fire Chief A. P. Chesney.

Two new fire houses are wanted to take the place of two that, according to the Fire Chief, are "ready to fall down." The plan also includes the purchase of five pieces of apparatus.

"We also need badly a steel hose tower to dry hose. Mildewed hose is an expense," said Chesney.

The alarm system is to be brought to date. It was installed twenty years ago, according to Chesney.

This plan has been forwarded to the Daly City Council.

When You Get Your Card, Buy A Ticket

Members of the Daly City Fire department are distributing cards which may prevent some future conflagrations.

The cards, to be hung in the home, are for the purpose of directing persons to the nearest alarm box in the case of fire. There is a place on the cards to write in the location of the alarm box.

And if you are feeling in a good mood when you take your fire-prevention card, you are in a fine position to purchase a ticket to the Old Timer's Dance. All firemen sell them. This is the seventh annual ball given by the Daly City Fire department, and is to come off, May 10, at Colombo hall, Colma.

It is an old-clothes affair, so everyone will feel ultra-comfortable and unconfined.

Funds raised by the dance will

Fine Eng For Selling Lottery Tickets Here

Eddie J. Eng, Chinese, arrested here, March 8, by Sergeant William Sunderland and charged with selling lottery tickets, pleaded guilty, last Tuesday, in Judge Wade H. Clay's court.

Eng was fined $50 and given a stern warning by the court never again to engage in the selling of lottery tickets.

Mayor Fahey Appoints Crane To Post On Disaster Committee

Final approval of the new parking ordinance, superceding Ordinance 152, was given by the Daly City Council at the regular meeting, Monday evening.

The new parking regulation extends the 45-minute parking zone. The restricted zone is given in full in the ordinance, printed elsewhere in the Record. An ordinance was also passed repealing Ordinance 152.

Further business of the council included the appointment by Mayor J. J. Fahey of R. L. Crane jr., district superintendent of schools, to a vacancy on the Disaster-Preparedness committee left by Carl Anderson, who is ill.

A request was read from the California State Relief administration to continue the arrangement whereby that organization is granted the use of Fire House No. 2. It was moved and passed that the request be granted.

Seven property owners on Bellevue avenue petitioned for an additional light on Bellevue between Acton and Oliver. The petition was referred to the Light committee.

The council received an invitation to attend a hearing on the establishment of a San Francisco Bay Region planning district this Friday at the Empire hotel, San Francisco. Mayor Fahey and Councilman Julius Twesten expressed their intention to attend.

A motion was passed authorizing A. J. Bodien, Water Department superintendent, to sell two old pumps belonging to the water department for $350.

A communication from the Shoreline Planning association pertaining to the use of California beaches was referred to City Attorney R. A. Rapsey.

Old Glory Post No. 2044, Veterans of Foreign Wars sent the council a letter endorsing the proposed $40,000 bond issue for the purchase of new fire equipment.

The council approved the appointment of Dale Hovey to the Fire department.

Tolovi Crosses Equator For First Time On Adventurous Voyage With 'Villager'

Determined not to waste any time before getting a good look at this strange world, Paul Tolovi, 22, 41 Theta avenue, went to San Francisco and fenagled passage on the 8000-ton motorship Villager, out of Bergen, Norway. This was five months ago.

He is now back in Daly City, his home town, full of memories of his long and varied voyage. Not having, nor wishing to spend, the $500 necessary if he were to travel as a passenger, he worked his way as cabin steward. They tried him out for this job on the rough trip up the coast to Vancouver. He turned out to be satisfactory so when the Villager nosed into San Francisco harbor again a month later, Tolovi stayed on.

South into warmer waters they pushed. San Pedro. Then 13 days of sea before Balboa, in the Canal Zone, came into view. Panama City became a memory; and the slow, painstaking working-through of the Canal.

The warm, open sea of the Carribean generated a big storm, suddenly, and Tolovi wished for a while he were back on land. Then calm again, until the equator. When the Villager crossed that imaginary but potent line Tolovi was initiated. It was his first passage over to the under side of the earth. He was sick for two days.

Finally the 18 days of water passed that separated them from Rio de Janiero. Then Santos, the coffee port, went by; and Montevideo, where the Graf Spee went down. Tolovi saw the bridge of the Nazi fighter, and part of the stern, still jutting above the water.

Then three weeks in Buenos Aires, one of the most beautiful cities in the world. Tolovi, who speaks Italian, got along quite smoothly since the biggest foreign element in Argentina is Italian. The Germans in Argentina, of whom Americans are so apprehensive, are on the way out, states Tolovi.

"The thing about South America," he said, "is the contrast. For instance, just outside Buenos Aires lies the jungle. And that jungle is WILD. It seems that civilization, highly developed as it is, is just holding its own near the coast."

Cabin Steward Tolovi went home via Santos, Sao Paulo, Rio, Bahia, Para, Porto Cabello, Barbados, Costa Rica, through the Can-

Curry's Make Outstanding Score

Scattering pins with deadly accuracy, Curry's Barbers soared to record heights Tuesday night, piling up the best team game score yet made in the 9:30 division of the Merchants Bowling League.

Curry's chalked up a 932 in their second game with California General Linen Supply, Krehl making 162, Pavlos 184, Pearlman 137, G. Curry 234, and C. Curry 215. G. Curry's 234 and his three-game 611 were highs for the evening.

Despite this brilliant play, however, Curry's dropped two out of three decisions to their opponents. They are now in second place in the standings, two and a half games behind Fisher's Boys.

Universal Press took the first game from GallenKamps, but dropped the next two. Garibaldi of Universal was high man on both teams with 517. His team is tied for fifth place with California General Linen.

Three straight losses were the fate of Milo's Butchers when they bowled against Model Appliance and Furniture company. T. Milo rolled a brilliant 597 for the losers. Milo's Butchers are at present in the cellar, a game behind Cabin Garage.

League standings are:

Daly City Boys May Now Use Outfield

Outfield of the recently turfed Vista Grande baseball field is now available for use by Daly City boys, according to an announcement by the city council.

The infield still may not be used, however, it was emphasized. And there must positively be no golf practice on Vista Grande field, according to Bruce Boynton, local WPA Recreation director.

Play on the field will be under the supervision of the WPA recreation department.

Classes

FRESHMEN

With a total purchase of 148 student body cards, the freshman class was declared the student body champs for the semester. Each semester a drive is held between the different classes to see who can buy the most student body cards. The winner is presented with a pennant with the words "Student Body Champs" written across it.

The sophomores came in second, with the juniors and seniors following respectively.

ASSEMBLY

Thursday the students heard Harry B. Smith, sports editor of the Chronicle. He told many interesting stories about great athletes of years gone by.

OPERA

Sunday, more than 75 students, accompanied by Mr. and Mrs. James Ferguson, Mr. and Mrs. Dante Lembi, Mr. and Mrs. Oscar Busch, and Louis Tsoutsouvas, attended the opera "Aida."

C. S. F.

At Wednesday's meeting C. S. F. members were entertained by Robert Brand. Brand gave an interesting demonstration of light waves and the principle of Polaroid glass.

March 29, Jack Chapman, faculty advisor, Bob Grimes and Angelo Ditty will travel to Turlock for a regional convention. Grimes will present a talk on Jefferson's activities in the scolarship federation.

SENIORS

Preparations are in full swing for the June graduation. The senior Jinx has been set for May 16. Senior pictures were taken Thursday.

Music

A whirlwind of activities has been chalked up for the Cowboy band, according to Dante Lembi.

Last Saturday the boys played for a Dinty Moore dinner, sponsored by the San Mateo Elk's club. Tonight they have a date to play for the South San Francisco Catholic church benefit. Dr. J. C. McGovern, in charge of entertainment, asked the boys to play.

On April 1 they have been scheduled by the American Legion to play for them at their meeting. The meeting will be held at the Benjamin Franklin hotel.

Just lately the Cowboy band added a new member to its cast. He is Keith Frettwell, who recently moved from Cedartown, Utah, to his present home in Half Moon Bay. Frettwell is a low junior, and an A-1 vocalist and guitar player according to Lembi.

BRASS SEXTET

Last Wednesday afternoon Oscar Busch's brass sextet played for the high school parent-teacher association's meeting. Included on the program were "The Mayfarer" and "Castillia," both by Holmes.

Campus Fashions

Girls, here are a few of the latest Fashion tidbits hot off Fifth avenue.

Wishbone jewelry seems to place first in the costume jewelry department, this season. It adds a swank appearance to your new three-quarter sleeved tea dress.

If you like to dress like big brother, here is a humdinger. Get a pair of navy blue tailored slacks, and a white shirt, just like brother's. Swipe one of dad's black ties, and then put matching cuff links and tie chains on as accessories. You'll be surprised at the effect.

One of Spring's most popular silhouettes, judging from advance styles now being introduced in New York, will be the cigarette line. Frocks gored from neck to hem give a long, lovely line that is vastly flattering.

Splashes of white are being put all over the otherwise plain afternoon dress. Every fashion-wise frock this spring will sport flashes of white and the bolder the better.

Frilled collars and cuffs, simulated monograms done in white, even frills of white peeping from beneath the hem line, characterize the majority of the important spring models.

If you are forever forgetting to fasten your purse, here's a life saver. A smart new bag is being shown for wear with spring suits. It is made with the new three zippered compartments. They all open on the outside and are placed one beneath the other, so as to form an integral part of the bag's decorative motif.

This week's fashion bouquet goes to a golden blonde. She's a high junior, treasurer of the student body, and has a pair of the bluest eyes I ever saw.

She was cleverly attired in a black and green outfit. Her sweater was a soft black with a matching skirt. Tied around her neck was a fluffy apple green scarf. Her short socks were of matching green.

The combination was simply stunning with her peaches and cream complexion.

In case you are still in the dark, this week's bouquet is handed to Miss Eugenia Rich.

Gasoline Evaporation

Annual loss of gasoline by evaporation from storage tanks each year is estimated at 300,000,000 gallons.

Sports

SWIMMING

A huge swimming pageant, to be staged soon, is being planned by the combined physical education departments.

Miss Juanita Young, girls physical education instructor, reported today that over sixty students, both boys and girls, have signed up for the event.

GOLF

Early Saturday morning Jeff's golf team climbed aboard private cars and travelled down the line to Crystal Springs golf course. The boys played the rolling greens with the Burlingame boys.

After matched play, the boys came out on the wrong end of a 23½-17½ score.

Those playing for Jefferson were: B. Dyer, R. Frates, L. McKeown, E. Carboni, S. Ragney, J. Rainey, G. Perry, E. Briseno, B. Brown and G. Ottonelli.

Best man of the morning proved to be Russell of Burlingame with a game of 78.

GPAL

Last Wednesday clubs 1 and 4 competed against clubs 2 and 3 in another one of their interclub basketball games. At the end of the playing time clubs 1 and 4 lead 24-11.

Playing for the winning team were: RF L. Ciarlo, LF G. Hall, CF E. Agresti, RG T. Falbo, LG O'Brien, CG Nelson.

Composing clubs 2-3 were: RF Putnam, LF Robin, CF Blandini, RF DeMartini, LG Sambucerti and CG Wilmoth.

TRACK

Coach John Matthews announced today that the following boys are eligible for their track numerals: Lantz Stone, Al Chelone, Henry Steele, Jack Van Kirk, Frank Coen, V. Barsi, Robert Bybee, William Ekers, Ralph Capps and A. Olivieri.

Drifters Select New Officers

Members of the Drifters club elected new officers at their regular meeting, last Monday evening. Named to head the social club were: president, Arnold Lemos; vice-president, Tony Sampino; treasurer, John Cacciapaglia; sergeant-at-arms, Mario Graziani.

At the same session, several new members were taken into the group. They are Joe Battaglieri, Milton Lemons and Mario Graziani.

Main project of the group at this time is a gala dance to which the general public will be invited. It is to be held later in the Spring and details will be announced soon.

Cool --- And Lots Of Fun

Mecca for many as warm weather approached this week was Winterland, the big ice rink at Post and Steiner streets.

Amusingly novel games, plus the thrill and fun of regular ice skating proved a lure for thousands as the skating season continued at its peak.

The exciting, uproarious Ice Polo game continues in popularity on Monday nights, as do Viennese waltz nights on Wednesdays, along with other special events.

The Winterland management pointed out again this week that the facilities of the ice rink are always available at special rates for parties.

Woodrow P. T. A. Elects Officers

At the regular meeting of Woodrow Wilson P. T. A., held Tuesday afternoon at the school, officers were elected to serve for the coming year. They are: president, Mrs. Ida Hanley; vice-president, Mrs. Martha Linden; honorary vice-presidents, Miss Marjorie Tobias and Miss Winifred McGrath; recording secretary, Mrs. Lillian Thomey; financial secretary, Mrs. Hilda Heagney; corresponding secretary, Mrs. Betty Tunstall; treasurer, Mrs. Emma Sorg; auditor, Mrs. Grace Coolish; historian, Mrs. Pearl Jones; parliamentarian, Mrs. Catherine Foreman.

Installation of officers will be held Tuesday, April 15, with a district officer conducting the ceremonies. Mrs. Julia Petersen is in charge of the arrangements.

The highlight of the afternoon's meeting was the presentation of a Life Membership to Mrs. Emma Sorg for her faithful services to the unit for many years. The money represented by this token is used for scholarship loans to students seeking higher education.

The regular monthly whist will be held, Thursday evening, April 10, at 176 Los Banos avenue, with Mrs. Lillian Thomey as chairman. Everyone is invited to attend.

Regular sewing will be held tomorrow, at 43 Woodrow street, with Mrs. Ida Hanley and Mrs. Emily Mon Santo as co-hostesses.

Mrs. Grace Hill represented the unit at the district meeting held in Redwood City, Friday.

High School PTA Names Nominating Committee At Meet

Named to head the nominating committee at the Wednesday meeting of Jefferson Union High School P. T. A., was Mrs. Georgia Busch. She will be assisted by Mrs. James Ferguson, Mrs. Ann Eason, Mrs. Grace Hill and Mrs. Lillian Cavagnaro.

Nominations from the floor and election will be held at the next regular meeting of the unit, April 16, at the high school.

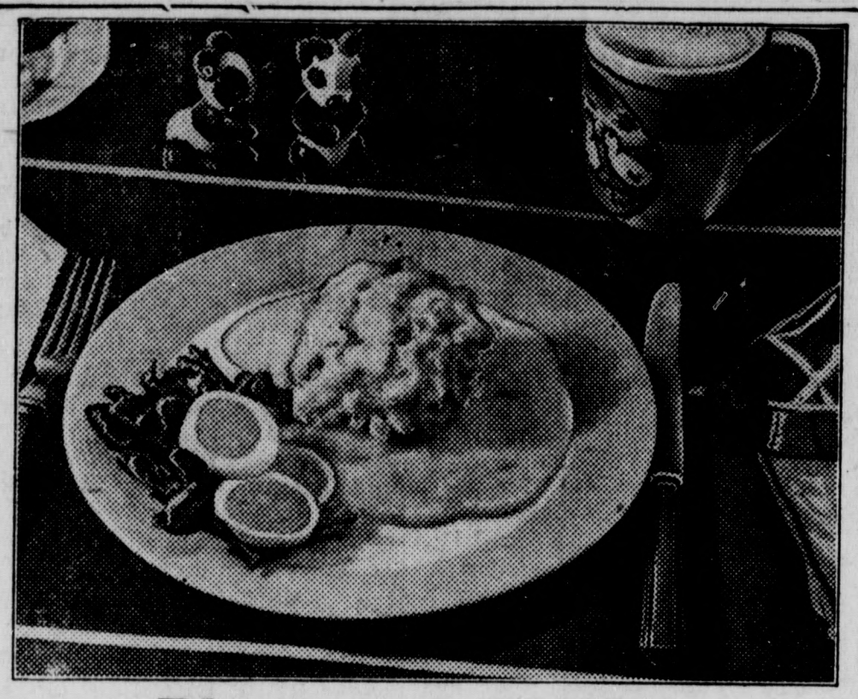
Reports made to the group included the annual summary of the various committee chairmen and a report on the last district meeting by Mrs. Frances Windhurst. Mrs. Ruby Ralston, past president of seventeenth district, who had been scheduled as speaker of the day, was unable to attend. Mrs. Owen, another district past president, made the principal talk of the afternoon.

The high school P. T. A. is sponsoring a Jefferson Union student at Boys' State this year. He is Harvey Melicker. The unit's interest has made it possible for two Daly City fellows to attend the citizenship training camp instead of the usual one.

Elected to act as delegate to the district meeting was Mrs. Busch.

Next executive board meeting will be held at the home of Mrs. Lillian Smith, 258 Templeton avenue, next Wednesday afternoon. Co-hostess will be Mrs. Windhurst.

The brass sextet of the high school gave a program for the P. T. A. members. Oscar Busch, instructor, was in charge. Refreshments were served at the close of the meeting.



Plenty of MILK
puts roses in their cheeks

Dorothy Greig

MILK, and lots of it, is one thing that makes Johnny thrive and Mary bloom.

So we add milk to their daily diet in many forms . . . as a beverage, in creamed vegetable dishes. And, of course, cream soups offer an ideal way. For here we just add milk instead of water to condensed tomato, pea, celery and asparagus soups. Vegetable and chicken soups with milk added are also good.

In the dish I give you here you will notice that the liquid is milk. It all helps reach the daily quota. The youngsters will love this dish, too. It has light-as-a-feather vegetable dumplings with a wonderful chicken flavored sauce to go over them.

Chicken and Vegetable Dumpling Stew

2 tablespoons butter
2 tablespoons flour
¾ cup milk
1 can condensed chicken soup

Melt the butter, add flour and cook until frothy. Then add milk and cook until thickened. Stir in the chicken soup and heat to boiling. Drop dumplings into simmering sauce.

Vegetable Dumplings

1 cup pastry flour sifted
1¼ teaspoons baking powder
¼ teaspoon salt
¼ cup cooked green peas
2 teaspoons chopped pimiento
6 tablespoons milk

Combine and sift dry ingredients. Add green peas and chopped pimiento, stir in the milk and drop by spoonfuls in simmering stew. Cover and let steam 10-12 minutes.

Serve dumplings in dish and pour sauce around them. Garnish with egg slices and watercress. Serves 3-4

The sewing circle of the Mothers club will meet today at 10:30 a. m. at 601 Hanover street.

POSSE PLANS APRIL 6 EVENT

Barbecue at Salada Beach, musical program, and dedication ceremonies are being arranged by San Mateo County Sheriff's posse to celebrate the opening of new drill grounds, corner of Washington and Anne streets, Colma.

Members of the posse and invited friends will meet at Colma, Sunday, April 6, at 9 a. m. They will ride to Salada Beach for the noon barbecue. After dedication festivities the party will return to Colma.

Located just one-half block west of Junipero Serra boulevard, the new drill grounds will be scheduled for heavy practice schedules this spring and summer, according to Ed Allen, local horseman.

Allen this week received a letter from Ed Zwierleins, representative of Palo Alto Chamber of Commerce, thanking San Mateo County Sheriff's posse for its participation in the dedication parade held in Palo Alto, March 8. Among other notables who rode in the Palo Alto parade was Governor Culbert L. Olson. The celebration was held at the opening of El Camino underpass at the intersection of the main artery between the city of Palo Alto and Stanford university.

Sunday was an off day for the San Mateo county pistol team, headed by Ray Ottoboni.

They went to Richmond in competition against some fifty other teams from all over the state. Police teams, army teams, nevy teams, county teams.

THE NATION CALLS

Too infrequently, perhaps, our attention is called to that priceless American heritage known as "Liberty." In the routine of everyday living, this heritage may appear to be guaranteed and unchallenged.

Yet world events have indicated that Liberty is not unchallenged, nor is it a trust to be taken lightly or for granted.

While this nation is at peace, it is at best a precarious peace, dependent on the strength of arms and manpower to protect our way of living.

Already hundreds of thousands of young men have been called to serve in the armed forces of the nation, and within the past few days the national government has requested every unemployed man possessing skills valuable to defense industries to register with the local state employment agency.

The request goes even further, it asks all men working in occupations other than defense, who have skills essential to defense industries, to register.

The purpose of this registration program is obvious—it is designed to mobilize labor for defense purposes, to create a labor pool which can be drawn upon by defense industries, and through coordinated effort between industry, worker, and the employment agencies, to avoid useless migration, useless concentrations, and ineffectual operation.

Perhaps registration will not mean a job now—but it will mean that workers who have these skills valuable to shipbuilding, aircraft and the metal trades industries will be known, and may be called upon when the defense production program leaps into full swing.

All workers in these skilled classifications, young and old alike, retired, or otherwise available, are urged to cooperate with the government in this voluntary program, and to register **NOW** at their nearest state employment office.

CONCERTS

Elman To Play At Opera House

Mischa Elman, celebrated violinist and one of the extremely popular figures on the concert stage, will have under his chin one of three rare violins he owns, aggregating more than $100,000 in value when he appears at the War Memorial Opera House, Sunday afternoon, March 30.

Elman, unlike so many artists, does not think his rare violins should be treated as museum pieces. He prefers to keep them constantly in use, believing that they grow better from use as well as from age.

The greybeard of his collection is a Stradivarius, dated 1717, said to be one of the three most prized violins in the world. It is a gift of Mrs. Elman who purchased it in Paris. As a companion piece to this is a two hundred year old Stradivarius, dated 1722, given to him by his father many years ago at the time of his American debut. It formerly belonged to Joseph Joachim, who pronounced Elman a wonder-child when Elman first played for the master as a small boy.

Following Elman's concert here the Opera Association will present the following artists: Nino Martini, Tuesday evening, April 1; Josef Hofmann, Tuesday evening, April 22; Helen Traubel, Tuesday evening, April 29; John Charles Thomas, Friday evening, May 2.

Tickets for all concerts are now on sale at Sherman Clay and co.

Rev. Rosenberg To Describe Life War-Torn Europe

A life of adventure and hardship in Russia and Poland will be recounted by Reverend L. I. Rosenberg, next Sunday at 7:30 p. m. at Grace Presbyterian church. Reverend Lionel Brown made the announcement and invited everybody to attend. The church is located at the corner of Hanover and Evergreen.

Rosenberg, Christian missionary among the Eastern European Jews, was at one time sentenced to death by the Bolshevists, but his sentence was commuted to exile.

While in Poland his "Bethel Mission" suffered great difficulties during the Nazi blitzkrieg of that country. Attempting to escape Poland in order to contact his friends, Rosenberg was imprisoned in a Nazi concentration camp for four months.

The missionary will tell about his experiences at his Mission during the invasion.

ROOM 8 AND 9

During the social science period the pupils of Room 8 and 9 hold court. The objective is to teach students judicial procedure as practiced in their own governmental department. The court consists of a judge, jury and officers.

Richard Walker says he likes court because "It teaches and gives children responsibilities."

Local Druids Aid With Institution

Grand Arch Druidess of the State of California, Mrs. Madeleine Fellows, with her staff of grand officers and a large delegation of members of the order, was in San Carlos, Sunday, to institute Hacienda Circle No. 169, U. A. O. D.

In a setting made lovely with greens and cala lillies, 42 of the 53 charter members of the new circle were initiated at the San Carlos city hall. The degree team from Daly City's Hillcrest Circle No. 143 put on the initiation, while a number of Hillcrest members assisted with the installation of officers. More than 175 attended the ceremonies. There were approximately 35 present from Daly City.

Former members of Hillcrest circle, who were initiated into the new circle, were Mrs. Virginia Callsen, Mrs. Margaret Woodside, Mrs. Lottie Lupton, and Mrs. Lottie Reddig. All of these ladies are well-known in Daly City but now live elsewhere.

Monday evening, Hillcrest circle held their first nomination of officers. Second nomination will be held at the April 14 meeting, which will convene early, at 7 p. m. Election of officers and official visit of the grand arch druidess will be held, April 28.

Committee To Visit Troop 101 Friday

Boy scouts of Troop 101 will meet half an hour earlier than usual, Friday evening, at the parish school. Coming to order at 7 p. m. sharp, the boys will be hosts to members of their troop committee. An inspection of the troop will follow.

After the troop meeting, committee members will hold their regular monthly session at the home of Fred Klingler, 601 Hanover street, at 8:45 p. m.

Current "good deed" for Troop 101 is their drive to supply every business which plans to close on Good Friday with a free notification sign. The attractive white and purple display cards read "This place of business will be closed on Good Friday, April 11, between the hours of 12 m. and 3 p. m." Scout Leader Frank Coughlin said the boys would be glad to see that every store and business gets one. Just phone DElaware 7929.

House of Cotton

The Farm Security administration is conducting experiments in the use of cotton as a building fabric. A house has been erected in Coffee, Ala., with roof and walls covered with cotton duck. The material is nailed to a smooth backing of plywood, plaster or composition board. It is painted with a mixture of white lead and linseed oil. The cost of such a house, including modern plumbing and electric wiring, is only about $1,350.

El Carmelo Leader Makes Report

With the meeting of March 19 bringing her term to the half-way mark, Mrs. Dorothy Donofrio, presiding officer of El Carmelo Parlor No. 181, Native Daughters of the Golden West, made a report of the activities of the past three months.

Beginning with her installation, January 15, at which time she stressed unity and cooperation in the group's work, Mrs. Donofrio had a number of successful events to recall, including a successful officers' whist, February 5, under the able chairmanship of Financial Secretary Christine Hulme; a joint session, February 19, of El Carmelo parlor and Menlo parlor No. 211, at Daly City to welcome Grand President Mrs. Hazel Hansen of Glendale; the celebration of the thirty-first anniversary of the parlor, March 10, when 33 members enjoyed a dinner and evening of entertainment at the Swedish Applied Arts center, with Mrs. Lucille Allison as chairman; a St. Patrick's social, March 19, which was a huge success.

Facing the second half of her term, President Donofrio plans another busy three-month period. Tentative program includes a dinner to be held, Wednesday evening, April 16, at Masonic hall, proceeds to be used for the purchase of new uniforms for the drum corps; a rummage sale is set for May; Mothers' Night, an annual social affair, to be held, May 21; a delegates' whist for June, and many other events.

At the close of the dinner, the girls will hold advance night with Iona Allen, senior princess, presiding over the meeting.

On March 30 the bethel will pack a picnic lunch and travel down to Pacific city. After lunch the group intends to enjoy themselves skating.
